

246 Fellowship: Where food is not the goal but fellowship and communication are.

Day by day, attending the temple together and breaking bread in their homes, they received their food with glad and generous hearts, praising God and having favor with all the people. And the Lord added to their number day by day those who were being saved. - Acts 2:46-47

Note: You remain in the same column through the entire schedule. Determine which column you are in and then reference that each time to determine which host home you should be going to that week. Maps for each host are attached at the end.
